

Join Greener Hopkinton

Greener Hopkinton is looking for more members. If you're interested in the environment, in helping our town and residents to become more energy efficient and sustainable, we'd love to have you join us. Some of the projects we're working on:

- helping the town government save energy,
- educating residents about organic gardening, "greening" their homes and reducing energy costs,
- hosting movies and speakers on environmental topics,
- maintaining an e-newsletter and blog,
- and other projects that members agree to pursue (any ideas?).

If you'd like to join, please email us at greenerhopkinton@gmail.com, or call Bethann McCarthy at 746-6603.
